Grille couplet x4 (fade out)

Oh no here comes that sun again  
that means another day without you my friend  
And it hurts me to look into the mirror at myself  
and it hurts even more to have to be with somebody  
else

*and it's so hard to do and so easy to say  
but sometimes sometimes  
you just have to walk away walk away*

With so many people to love in my life  
why do I worry about one  
But you put the happy in my ness  
you put the good times into my fun

Refrain

*and head for the door*

We've tried the goodbye so many days  
we walk in the same direction  
so that we could never stray  
they say if you love somebody  
than you have got to set them free  
but I would rather be locked to you  
than live in this pain and misery

They say time will make all this go away  
but it's time that has taken my tomorrows  
and turned them into yesterdays  
And once again that rising sun is dropping on down  
and once again you my friend  
are nowhere to be found

Refrain 2you just walk away walk away
